

MISS PROVERBS 31 WOMAN · DAY 1 ·  
SUNDAY, NOVEMBER 1

# The PRETTY *Service* *Project*

Every contestant serves before she campaigns: one act of service that makes an impact on someone's life, done with the women who support her, and shared on Day 1 in her pink Service Look.

*The PRETTY fragrance you leave behind.*

## HOW TO DO IT WELL

# Serve first. *Then share it.*

- 1 Choose a real need**  
One act of service that makes an impact on someone's life. Ask the place you will serve what they actually need.
- 2 Gather your women**  
Invite a small group of women who support you. No one available? You can serve on your own.
- 3 Get permission**  
Ask the shelter, home, pantry or church before you come, and ask whether you may take photos and video.
- 4 Wear your Service Look**  
A pink shirt and black slacks or bottoms. The P31 PRETTY service shirt is optional.
- 5 Serve, and take proof photos**  
Photos of you and your group serving. Never photograph a child's face without a parent's permission, and never photograph someone who did not agree.
- 6 Film your Day 1 video**  
Under two minutes: what you did, who it served, and the life it touched. Film it before November 1.
- 7 Upload your photos**  
In your portal, under Service Project. Nationals approve them for the photo wall, and they count toward Best PRETTY Service Project.
- 8 Post it on Day 1**  
Sunday, November 1: post your service video in your pink Service Look, with your voting link.

## IDEAS

# Where you *could* serve.

### Care kits for a women's shelter

Toiletries, socks and a handwritten note in a zip bag. Call the shelter first and ask what they need.

### A nursing home visit

Bring cards, read scripture, paint nails, or simply sit and listen. Ask the home's activity director first.

### A food pantry shift

Sort, pack and serve with your group. Most pantries welcome groups on weekends.

### Back-to-school or dorm kits

Supplies, snacks and a note of encouragement for students in your community.

### A community clean-up

A park, a church yard or a street. Gloves, bags and permission from whoever is in charge.

### Encouragement cards

Write cards for a hospital, a shelter or a women's recovery home, and deliver them together.

## The Service Look · Sunday, November 1

A pink shirt and black slacks or bottoms. The P31 PRETTY service shirt is optional; any pink shirt works.

#### A 7-day prayer chain

Each day, pray for your P31 sister by name and send her one line: "Prayed for you today."

#### Proverbs 31 together

Read Proverbs 31 with your sister on a call, one of you reading, one listening. Each pick the verse that reads you.

*“Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.” Matthew 5:16*
